EU DECLARATION OF CONFORMITY – PPWR - No. 01/2026

Euroricambi S.p.A, via Chiesaccia n.5 – Loc. Crespellano – 40053 Valsamoggia (BO).

This declaration of conformity is issued under the sole responsibility of the manufacturer Euroricambi S.p.A.

Object of the declaration:

All packaging (primary, secondary, and tertiary) placed on the market under the trademark and/or company name of Euroricambi S.p.A., used for the packaging and distribution of the company's products.

This Declaration applies to all Euroricambi S.p.A. branded packaging currently in use across packaging and shipping lines: flexible and rigid packaging, as well as packaging materials made of plastic, paper/cardboard, wood, or composite materials.

The object of the declaration described above is in conformity with the relevant European Union harmonisation legislation:

- **Regulation (EU) 2025/40** of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste (PPWR);
- **Directive 94/62/EC** on packaging and packaging waste;
- **Commission Decision 97/129/EC** establishing the identification system for packaging materials;
- **Regulation (EC) No 1907/2006 (REACH)** concerning Substances of Very High Concern (SVHC) with concentration < 0.1% w/w.;
- **Regulation (EU) 2023/988** on general product safety (GPSR).

Conformity is declared in relation to the relevant harmonised standards, common specifications adopted, or other technical specifications applied:

- **hazardous substances (art. 5):** total concentration of lead, cadmium, mercury, and hexavalent chromium under 100 mg/kg across all Euroricambi S.p.A. branded packaging;
- **PFAS (art. 5.5):** compliance with restriction limits for food contact packaging (25 ppb for targeted analysis / 50 ppm total), where applicable;
- **recyclability (art. 6):** compliance with the provisions of standard UNI EN 13430:2005 regarding material recycling for recoverable packaging;
- **reusability (art. 11):** compliance with standard UNI EN 13429:2005 for packaging defined or designed as reusable (where applicable);
- **material identification (art. 12):** presence of material coding according to Decision 97/129/EC (e.g., polymer codes, paper/cardboard, etc.) applied to supplied packaging.

The company also guarantees the compliance of its packaging through internal production control and the qualification of technical material suppliers. Technical documentation proving compliance with sustainability requirements (including technical data sheets and declarations of conformity provided by third-party converters) is retained at the company headquarters.

Signed for and on behalf of **Euroricambi S.p.A.**

EU DECLARATION OF CONFORMITY – PPWR - No. 01/2026

A.M.Gears S.r.l., with registered office in Via Chiesaccia no. 5 – Loc. Crespellano – 40053, Valsamoggia (BO) and administrative office and plant in Via Tubertini no. 10 – 40054, Budrio (BO).

This declaration of conformity is issued under the sole responsibility of the manufacturer A.M.Gears S.r.l.

Object of the declaration:

All packaging (primary, secondary, and tertiary) placed on the market under the trademark and/or company name of A.M.Gears S.r.l., used for the packaging and distribution of the company's products.

This Declaration applies to all A.M.Gears S.r.l. branded packaging currently in use across packaging and shipping lines: flexible and rigid packaging, as well as packaging materials made of plastic, paper/cardboard, wood, or composite materials.

The object of the declaration described above is in conformity with the relevant European Union harmonisation legislation:

- **Regulation (EU) 2025/40** of the European Parliament and of the Council of 19 December 2024 on packaging and packaging waste (PPWR);
- **Directive 94/62/EC** on packaging and packaging waste;
- **Commission Decision 97/129/EC** establishing the identification system for packaging materials;
- **Regulation (EC) No 1907/2006 (REACH)** concerning Substances of Very High Concern (SVHC) with concentration < 0.1% w/w.;
- **Regulation (EU) 2023/988** on general product safety (GPSR).

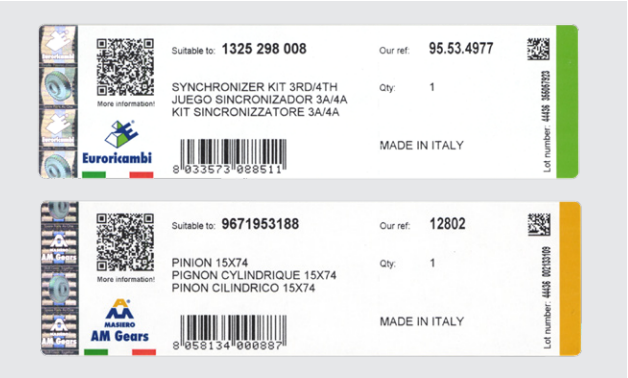

Conformity is declared in relation to the relevant harmonised standards, common specifications adopted, or other technical specifications applied:

- **hazardous substances (art. 5):** total concentration of lead, cadmium, mercury, and hexavalent chromium under 100 mg/kg across all A.M.Gears S.r.l. branded packaging;
- **PFAS (art. 5.5):** compliance with restriction limits for food contact packaging (25 ppb for targeted analysis / 50 ppm total), where applicable;
- **recyclability (art. 6):** compliance with the provisions of standard UNI EN 13430:2005 regarding material recycling for recoverable packaging;
- **reusability (art. 11):** compliance with standard UNI EN 13429:2005 for packaging defined or designed as reusable (where applicable);
- **material identification (art. 12):** presence of material coding according to Decision 97/129/EC (e.g., polymer codes, paper/cardboard, etc.) applied to supplied packaging.

The company also guarantees the compliance of its packaging through internal production control and the qualification of technical material suppliers. Technical documentation proving compliance with sustainability requirements (including technical data sheets and declarations of conformity provided by third-party converters) is retained at the company headquarters.
